More problems on FCR-995 during an exchange of vehicles between kinfolks, one hit another with a Golf Club. I know very little about golf, but maybe we could say it was an eagle or a birdie or something along that line.... Some sort of a Game Violation involving some type of bird.....Anyway, one more in Jail, Assault Causes Bodily Injury.....That golfing is more dangerous than I had thought!

Skunk patrol needed on Poplar, one is in a neighbor's garage, and the neighbor is gone.....Well, if anybody goes monkeying around.... when the neighbor returns..... He'll figure out real quick he had an unexpected visitor!

Teague VFD and FEMS to Teague Housing Authority, 51 year old with chest pains.

Teague Lady calls 911, tells Dispatcher she smells smoke in her house, calls right back....she'd forgotten.....had put something in the toaster!

Caller reports small pickup driving slow on IH-45....How fast?....Oh, about 50! Well, this was certainly a momentous occurrence, but probably they're doing just fine, gonna get there in one piece.....As long as they keep one eye glued on the rear view mirror!

Mr. Elom to vehicle hydroplaned, Mile 208. Dep. Shaw, FEMS, Dew and Fairfield VFD's to rolled vehicle, Mile 192. Man wants to kick wife out, FCR-841. Hospitalized man wants friend to pick up his valuables for safekeeping instead of relatives.

FPD Kindon arrests woman on Church, a reversal of two sentences previous....She's trying to throw the feller out of the house. He had marks on him, she didn't. She had a stick, he didn't. She went to Jail, Assault Family Violence....He didn't.

FEMS and Southern Oaks VFD to assist man who fell off 4-Wheeler, now feeling dizzy. DPS Adams to Rest Area, Lady there reporting windshield just busted by flying piece of truck rubber. Dep. Hendrix to report that Frequent Flyer stole money and prescription drugs from ill father.

In a local restaurant last night and in walks Janie Morrison, grown daughter Monica Little and Monica and Clint's little boy Carson, being carried. They paused at our table to visit a moment and suddenly little Carson looked intently at my plate, made a reaching motion with his little hand,

and starting saying something that, for me at least, was unintelligible....But men of our caliber, Carson and I, though separated by years, many years in fact.....We all speak a common language through FOOD. Due to this simple denominator, I was able to instantly divine that what he was telling me was he definitely wanted and desired one of the French Fries off my plate. Now being armed with this new knowledge, I said, "Here, boy, I know what you want" and handed him a French Fry. But, you know what? He snarled up his nose, shook his head twice then jabbered something else.... In just a split second, maybe less, I realized that he wanted some of my ketchup, too. Did he get the ketchup? Yes, Sir, you bet. I drug that same Fry through the ketchup, handed it back, and this time he was wall to wall in the smile department. He grabbed that Fry, it disappeared, he wanted more....And, oh yes, got another. It was a wonderful meeting of the minds, his and mine....Absolutely amazing....The ESP, Karma and understanding fully flowed between us....A true moment of bonding. There are Great Men of Medicine, Great Men

of Diplomacy, Great Men of Science, but me and Little Carson....We're Great Men of Food! Where some rely upon the Food Pyramid, that clumsy three sided affair, why Little Carson and I don't..... We're firm believers in the Food Octagon, with so many more sides and facets than that simple, little triangle!

Lady Hitchhiker reported on US-84, 5AM in morning, wearing nothing but a night gown. Found to be unfortunate Lady just released from Psychiatric ward, trying to get home to our County. Later call makes me doubtful that she was just released, possibly a few days earlier, some confusion about the towns.

TPD Howard and Martin to problems at residence on 13th, some intoxicated. Ultimatum was given, quieten down or go to Jail. One said would go to Jail before he would go back inside, then he bolted from the yard, but he was quick and got away. The other individual resisted, ended up being Tazed with a Tazer and brought to Jail, Disorderly and Resisting.

Man on FCR-1211 calls to report he is preparing to

have a Controlled Burn which was much appreciated and saved sending local Firemen out on a dry run. FPD Gasaway to loud music on Bond. Also to a fight reported on S. Bateman along with Deputies Robert Willis and Richard McGowan. DPS Putz, Teague VFD and Doctor Chopper to West 84 accident, vehicle on fire, one trapped inside.

Okay, more on the Lady Hitchhiker in the night gown....She just walked into the jail lobby, said she wanted to go back to the Crisis Center. We don't get many voluntary committals of this nature! But, she said she felt that was where she needed to be. It turns out that she was not released earlier in the night gown, she'd merely gone AWOL. Dep. Rick Howerton, our own version of Marcus Welby, M.D., loaded her up, carried her to the ER. Oh, and the confusion about where she was at that I mentioned earlier? We'd carried her to Tyler last week. Later she wound up in Palestine, then was transferred to Waco. No wonder everybody was confused.

DPS Zotz arrests two

drunks, one of whom DWI, Mile 207. Deputy Elom to report of missing cash. Dep. Robertson to/from Dallas County, prisoner transport. Son steals Dad's credit card, arrested by Dep. Thomas Hendrix, Credit Card Abuse. Man turns self in to Chief Dennis Cox after commits Burglary. DPS Adams arrests speeder, Mile 183, Warrant issued out of Garland. Motorcycle stopped at Dew by Deputies McGowan and Willis, found to have wrong License Plate, No Inspection, No DL, No Insurance.....Now reposing on the Court House Square, Fairfield, Texas. Donkey Troubles, FM-833.

Pit Bull Troubles on N. 2nd. FEMS to Boyd Unit, 62 year old Inmate in Wheelchair having chest pains. DPS Purnell to disabled truck, US-84 East. THDEMS to Teague ISD, student with seizures. THDEMS also to US-84, Teague, man just reported to business that his brother received snakebite. Apparently, the snake missed as the ambulance did not transport.
